

Reynolds Transportation

Students can ride the buses to the schools listed (see additional schedules from RSD for details) and the CAL shuttle buses will take them from there to CAL.

There will be no CAL buses on days when Reynolds High School does not attend as there would be no buses at the high school to take them home in the afternoon.

If you have any questions or comments please contact Reynolds School District Transportation at (503) 492-4921 x3309.
